

EDUCATION COSTS

USP plus Public,
In-state University

Four years at Public,
In-State University

UNIVERSITY
SCHOLARS PROGRAM

Save time by needing to take fewer courses when you get to college.

Prepare students for college level work.

Take college course at a significantly reduced cost.

Improve academic rigor of high school student's transcript; weighted GPA for level 100 and above courses.

Receive flexibility in high school. One semester USP course = 1 year of high school credit.

Get a head start on your career, try out career fields, and/or improve your workforce resume.

Take college courses in a supportive, Christian environment.

Take college courses on MCCA campus, taught by MCCA teachers, on MCCA's schedule.
